B.A.S. 185

For thousands of years, First Nations people have walked on this land; their relationship with the land is at the centre of life and spirituality. We are gathered as treaty people on the traditional territory of the Anishnaabeg of the Fort William First Nation and acknowledge this people's stewardship of this land through the ages.

You know the grace of our Lord Jesus Christ,
that though he was rich, yet for your sake he became poor,
so that by his poverty you might become rich. *2 Corinthians 8.9*

Receiving Holy Communion

This is the table of Christ made ready for those who love him and for those who want to love him more. So come, whether you have much faith or little, have tried to follow or afraid you have failed. Come because it is Christ's will that those who want to meet him, might meet him here. If you prefer to receive a blessing, please indicate this by placing your arms across your chest. We ask that you not dip the bread into the chalice. If you are not comfortable with the common cup, please receive only the bread. Our tradition says that to receive any part of the Eucharist is to receive the full grace of the Sacrament.

If you desire more personal prayer, please make your way to the chairs behind the choir where prayer team members will pray for you.

Please inform a member of the pastoral team if you know of one of our members in care. This also applies to those who are perhaps not specifically in care but are housebound. It is best to make these situations known in a phone call, written note or email. Please do not rely on us remembering requests from a verbal exchange Sunday morning or during a meeting

PWRDF - Hurricane Dorian Emergency Response

Hurricane Dorian has devastated the Bahamas. News footage shows the areas around Freeport to be unrecognizable, completely submerged in water.

In response to the immediate and urgent needs on the ground, PWRDF is

ERD is working through the Anglican Alliance, of which PWRDF is also a member, to support a response as the Anglican Diocese of the Bahamas and the Turks and Caicos begins to evaluate and assess the needs of local communities in the diocese.
